

To: FCC
Attn: Mr. Powell:

XM radio provides the type of listening I enjoy and pay for. The major radio stations have become far too right wing and totally in control of our listening, or provide a format I do not subscribe to. Since I am paying for these services it should not be up to the National Association of Broadcasters (NAB) to dictate what I am permitted to hear. I therefore respectfully urge you to reject the NAB's petition 04-160 and support XM's ability to provide the kind of programming that I demand and deserve.

Thank you for you urgent attention to this matter.
